Dear Friends

The Bella Moss Foundation would like your help.

In our continuing campaign to raise awareness of MRSA in pets we are gathering information that will help the Foundation sponsor a number of initiatives including the educational work of the pets-mrsa website.

If you have a pet, perhaps you could complete the questionnaire on the following pages. Print the questionnaire, complete it and then post it back to:

Only the answers given in the questionnaire will be used and no personal details will be released or revealed to any third party.

Many thanks for your help
